I agree with the statement of Justice Kennedy that "... The law makes a promise. The promise is neutrality. If that promise is broken, the law ceases to exist. All that's left is the dictate of a tyrant, or a mob." Quoted in Dababnah v. West Virginia Bd. Of Medicine, 47 F.Supp.2d 734, 749 (S.D.W.Va. 1999)

**Notice** is hereby given that I do not plan to order a transcript. Judge Conrad has been kind enough to explain his ruling in a very professional and detailed **MEMORANDUM OPINION**. I believe that document is sufficient and that who said what at the hearing is not needed. Should a transcript be required by rule or the other parties, I request the court to cover the costs as I am unable to pay for a transcript.

**Respectfully Submitted,**  
Wesley C. Smith
