**#80 - MOTION TO REMOVE ATTORNEYS**

A pdf copy of this motion is available at: [http://www.liamsdad.org/court/pw\\_circuit](http://www.liamsdad.org/court/pw_circuit)

**COMES NOW** the Defendant, Wesley C. Smith, and makes the following Motion to remove Ronald Fahy and Loretta Vardy from handling this case:

1. Loretta Vardy and Ronald Fahy are being sued in Federal Court along with Judges who handled this case. The judges have recused themselves. Ronald Fahy and Loretta Vardy should also have removed themselves from the case but have not yet done so.

2. Loretta Vardy has made false statements to this court - see previous motions requesting sanctions against her.

3. Ronald Fahy hasn't been contributing to the case anyway. Mr. Fahy who is supposed to be representing our son not only didn't present a case, he didn't even bother to attend a hearing about suspending visitation. Ronald Fahy didn't even bother to attend the entire final custody trial and **was not even present when our son testified in court**. He chose to leave rather than present his "client's" case, or even listen to his "client's" testimony.

4. It would be appropriate to sanction both attorneys for not having removed themselves as required by rule.

**Respectfully Submitted,  
Wesley C. Smith**
